PROFILE OF MAJOR DONATIONS
35th ANNUAL ARIZONA DESERT BIGHORN SHEEP SOCIETY FUNDRAISER
Chaparral Suites Resort, Scottsdale, Arizona
Saturday, March 10, 2018

The purpose of this profile is to give you a preview of some of the major items that will be available at this year's fund-raiser. Please take a few minutes to look it over and think about what items you're interested in bidding on. If you have friends who have been looking at something along the lines of the hunts, fishing trips and other items listed here, why not invite them to come along with you to the banquet?

Back by popular demand, we'll have draft beer at this year's fundraiser. For just $20, you can purchase a "bottomless" cup that you can refill as often as you want until the kegs run dry. We'll have four kegs of draft beer, so you won't go thirsty!

SPECIAL PERMIT HUNTS:

Special Arizona Rocky Mountain bighorn sheep tag. Valid for any Rocky Mountain bighorn ram in unit 6A, unit 22 North, unit 23, unit 24A, Lower Blue River Hunt Area in unit 27, Upper Blue River Hunt Area in unit 27, unit 27 south of FR 217 and west of US Highway 191, unit 28 north of US Highway 70, and the Black River Hunt Area in units 1 and 27 from August 15, 2018 through August 14, 2019. The buyer of the special tag must specify who the hunter will be within 90 days of purchasing the special tag. Arizona has gained a reputation as an outstanding state to take a record-class Rocky Mountain bighorn, with nearly half the rams taken in recent years scoring better than 170 Boone and Crockett points and several over the 180-point mark. In December 2007, the state record Rocky Mountain bighorn was taken, scoring 194 3/8 net Boone and Crockett points. Last year, a Rocky Mountain bighorn scoring over 190 points was taken, along with several scoring in the 180's.

Special Arizona mountain lion tag. Valid for all areas statewide except Camp Navajo in unit 6B, Mohave County park lands in unit 16A, and Fort Huachuca in unit 35A, from August 15, 2018 through August 14, 2019. Archery-only in units 11M, 25M, 26M, 38M, and on private property within municipal boundaries. Certain additional areas within municipal limits are closed to hunting; check Commission Order 29: Special Hunts for details. The buyer of the special tag must specify who the hunter will be within 90 days of purchasing the special tag. This is not officially designated as a guided hunt, but houndsman Scotty Dieringer will once again provide up to five days of his expertise and his excellent hounds. While the hunt is open for 365 days, the hunter will need to coordinate the timeframe for the 5-day assisted hunt. Camp and meals will be provided by a team of ADBSS past-presidents. The winning bidder will of course need to provide his or her transportation to the hunt location. This is one of the finest opportunities anywhere to take a mountain lion.
